

## NETS 2021 paper submission instructions:

Given the cancellation of NETS 2020, we are offering the opportunity to present accepted NETS 2020 papers during the NETS 2021 conference. As such, there are more options than normal for paper/lightning-talk submissions in NETS 2021.

Please follow the instructions below:

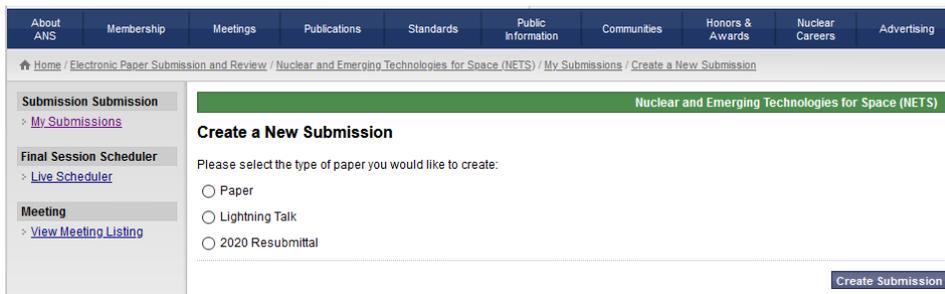

1. Go to the ANS paper submission portal: <https://epsr.ans.org/meeting/?m=367>
2. Log in or create an account
3. Click “My Submissions” link

The screenshot shows the ANS website navigation bar with links for About ANS, Membership, Meetings, Publications, Standards, Public Information, Communities, Honors & Awards, Nuclear Careers, and Advertising. Below the navigation bar is a breadcrumb trail: Home / Electronic Paper Submission and Review / Nuclear and Emerging Technologies for Space (NETS). The main content area is titled 'Nuclear and Emerging Technologies for Space (NETS)' and contains a table with submission and review periods. A red arrow points to the 'My Submissions' link in the left sidebar.

	Submission Period	Review Period
Submissions	January 20, 2021, 12:00am – February 19, 2021, 11:59pm CST	January 20, 2021, 12:00am – March 5, 2021, 11:59pm CST

4. Choose whether to create or withdraw submissions (you may make multiple, separate submissions).
5. If creating a new submission, there will be multiple options to select. Use the explanations below to help navigate your 2020/2021 submission choices.
  - a. “Paper” = A new full 4pg summary for NETS 2021 (will require document upload)
  - b. “Lightning Talk” = A new Lightning Talk for NETS 2021 (will require document upload)
  - c. “2020 Resubmittal” = A notice of intent to present your 2020 paper at NETS 2021 (will **not** require document upload)

The screenshot shows the 'Create a New Submission' page. It features a navigation bar and a breadcrumb trail: Home / Electronic Paper Submission and Review / Nuclear and Emerging Technologies for Space (NETS) / My Submissions / Create a New Submission. The main content area is titled 'Create a New Submission' and contains a form with three radio button options: Paper, Lightning Talk, and 2020 Resubmittal. A 'Create Submission' button is located at the bottom right of the form.

6. After making your submission selection, press the “Create Submission” button.
  - a. If you chose “Paper” or “Lightning Talk”: You will need to follow the links in the General Instructions panel until all boxes are checked.

The screenshot shows the 'General Instructions' panel for a submission. It features a navigation bar and a breadcrumb trail: Home / Electronic Paper Submission and Review / Nuclear and Emerging Technologies for Space (NETS) / My Submissions / Submission 34937 / General Instructions. The main content area is titled 'Submission Submission' and contains a form with a 'Continue' button. A sidebar panel titled 'Submission 34937 Submission Steps' contains a list of instructions with checkboxes: Submission Information, Track and Session, Authors, File Upload, and Review and Submit.

- b. If you chose “2020 Resubmittal”: The submission process is the same **except for** the “File Upload” link. Please enter the first authors full name and NETS 2020 Paper Title in

the provided form and click the “Save and Continue” button. Follow the links in the General Instructions panel until all remaining boxes are checked

The screenshot shows a web interface for submitting a paper. At the top is a navigation menu with links: About AHS, Membership, Meetings, Publications, Standards, Public Information, Communities, Honors & Awards, Nuclear Careers, and Advertising. Below the menu is a breadcrumb trail: Home / Electronic Paper Submission and Review / Nuclear and Emerging Technologies for Space (NETS) / My Submissions / Submission 34938 / File Upload. The main content area is titled "Nuclear and Emerging Technologies for Space (NETS)" and "2020 Paper Information". It contains a form with the following fields: "First Author Name: John C. Doe" and "NETS 2020 Paper Title: Nuclear Space Paper". To the right of the form is a "Submission 34938 Submission Steps" panel with a "General Instructions" section containing a checklist: "Submission Information" (unchecked), "Track and Session" (unchecked), "Authors" (checked), "File Upload" (unchecked), and "Review and Submit" (unchecked). At the bottom right of the form is a "Save and Continue" button. On the left side of the page, there is a sidebar with sections: "Submission Submission" (with a link to "My Submissions"), "Final Session Scheduler" (with a link to "Live Scheduler"), and "Meeting" (with a link to "View Meeting Listing").

7. If you have multiple papers you are wanting to submit, please make a single submission for each paper. Ex: If you have 2 NETS 2020 papers you hope to present this year **and** 1 new NETS 2021 paper, you will need to make 3 separate submissions.
